

Chocolate Orange Cracker

- Cut Designer Series Paper to 12" x 9 3/3".
- On 12" side score gently at 2 7/8", 5 3/4", 8 5/8", 11 1/2"
- On 9 3/4" side score gently at 2", 2 1/2", 3", 6 3/4", 7 1/4", 7 3/4".
- Burnish and fold all the score lines - be gentle as its paper so will rip easier that card stock.
- To create the cracker ends you need to make mountain and valley folds and gently bend and push to get desired effect.
- With the short side at the top fold on each horizontal score line and either cut or use an Envelope Punch Board to get diamond shapes. Do this on all the horizontal score lines.
- Put strong adhesive on the short side and fold over and glue into place.
- To hide your chocolate orange use 2 pieces of card inside each end 2 7/8" x 2 7/8".
- Tie ribbon around each end of the cracker and tie a bow. (Approx 22.5' x 2).
